## Masterclass Workshop w/Connie Almond

**Saturday - April 29th, 2023**

**Location: Almond Piano Studio**

The Suzuki Method has been a good part of Connie Almond's life over many years...first as a violin parent and group accompanist, then as a Suzuki Piano Instructor. Along the way, she has also been very active in the SD Music Teacher's Association and has been fortunate to have taught at Suzuki Institutes in Colorado, Arizona, and California. She looks forward to working with promising young musicians for a wonderful day of music making!

**Cost: \$40/30 min. or \$60/45 min.**

This workshop is great for students preparing for evaluations, performances, or graduation recordings, as well as anyone wanting to improve a (preferably) memorized piece. Morning or afternoon sessions are available. Students watch other students' lessons in late Book 1 - Book 4 before or after their own.

**Register by April 17th at <https://smac-ca.org/san-diego/>**
